

Term 5 Home Learning – North & South America

<u>Week 1</u> Due in by Wednesday 30th April	<u>Recipe</u> Choose two different places from North, Central or South America and research a traditional recipe from each of your chosen places. Print or write the recipes out, include a list of ingredients and pictures. Make one of the recipes if you can.
<u>Week 2</u> Due in by Wednesday 7th May	<u>The Amazon</u> Create a poster or brochure for a new travel company which arranges visits to the Amazon. Use images and text to tempt customers who want an extra special trip.
<u>Week 3</u> Due in by Wednesday 14th May	<u>The Amazon</u> The Amazon River is home to some amazing animals like the Tucuxi dolphin, electric eels, Amazonian manatees and anacondas. Create a spotter's guide of animals that live in the Amazon River. Include facts about the animal, their appearance, their habitat, their diet and any other interesting information you find out. Make sure you include pictures. Choose at least three animals to include in your spotter's guide.
<u>Week 4</u> Due in by Wednesday 21st May	<u>Make a 3D model</u> Choose a city from either North, Central or South America. Make a 3D model of a famous landmark in your chosen city.
