

Mathematics

Money – We will work with pounds, pence and notes, and towards the end of the unit they will work with pounds and pence together.

Multiplication and division – We will be learning about skip counting, equal groups, times tables, multiplication sentences and scaling problems. Also, we will learn two methods of division (grouping and sharing), and how to calculate using these two different strategies.

Length and height – We will learn to measure using simple standard units and scales.

Mass, capacity and temperature - measuring mass, volume, capacity and temperature.

English

We will be reading the Literacy Tree books:

Dear Earth by Isabel Otter and Clara Anganuzzi

If the world were... by Joseph Coelho

Toys in Space by Mini Grey

The purpose of these books is to engage the children in high quality texts, where we will explore the narrative and characters in detail.

Additionally, we will write about these books using a range of genres.

SPaG

We will be learning about how suffixes are added to the end of root words.

Cherry Class Curriculum Map

Spring Term – Year 25/26

RE

Term 3- **Humanism** – Who are humanist and how do they live?

Term 4 - **Salvation** - Why does Easter matter to Christians?

Music

We will be learning all about Indian music and will be developing their knowledge of dynamics and tempo through traditional Indian songs.

History

What is a monarch? – We will be learning about countries of the UK and capital cities, timeline and significant events and people.

Geography

Why is our world wonderful? – We will learn about the world's wonders, the names and locations of the world's oceans and considering what is unique about the local area.

R(S)HE

We will be learning about **health and wellbeing** and **citizenship**.

Science

Materials – We will identify and compare the suitability of a variety of everyday materials. We will find out how the shapes of solid objects made from some materials can be changed by squashing, bending, twisting and stretching.

Plants – We will observe and describe how seeds and bulbs grow into mature plants. We will find out and describe how plants need water, light and a suitable temperature to grow and stay healthy.

Art

We will be **painting** whilst exploring how mixed media creates depth.

DT

We will be making **mechanisms** for a fairground wheel.

Computing

Term 3 - **Programming A** – Robot algorithms

Term 4 – **Data and Information** - Pictograms

PE

Each week we will have one indoor (Tuesday) and outdoor (Wednesday) session.

Term 3: **Gymnastic (2)** and **Sending and Receiving – Feet and Stick**

Term 4: **Dance (Unit 2)** and **Fitness**
