

Supertask

I can find fractions of lengths and heights.

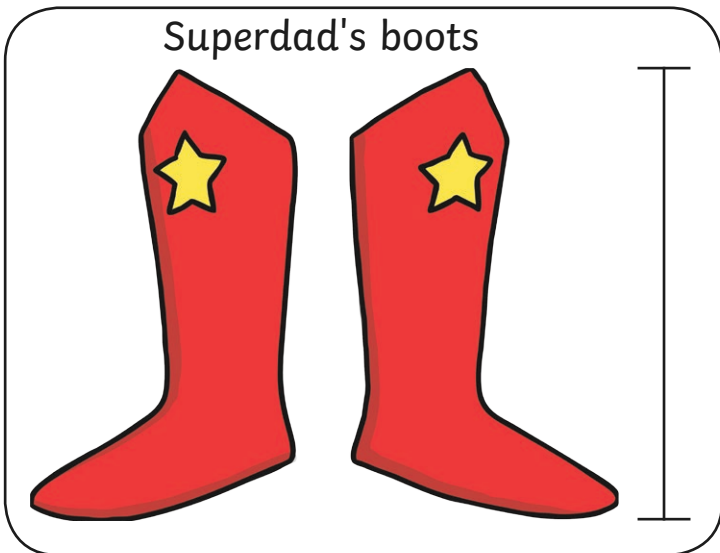

Superkey:

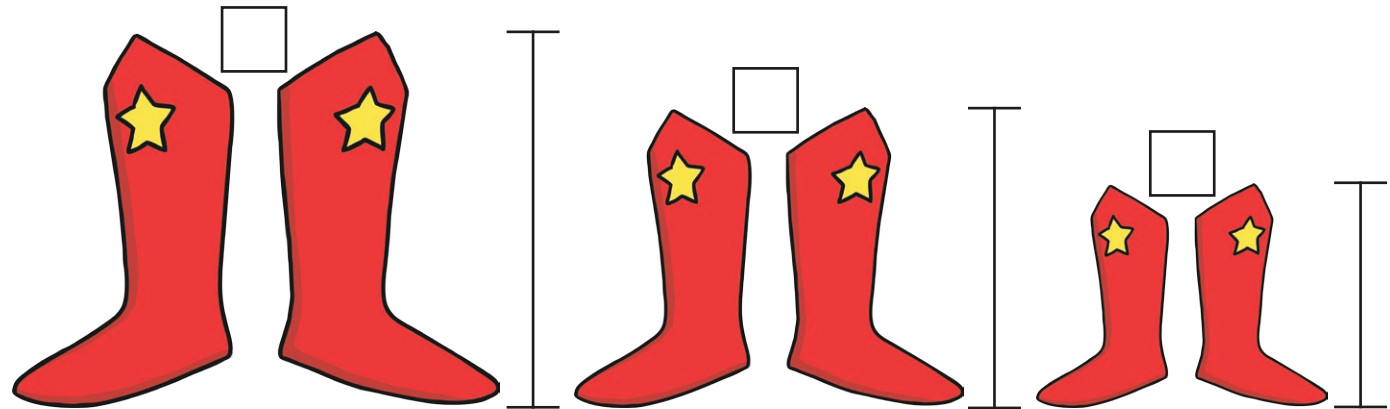

1. Tick Superboy's boots:

Superdad's boots

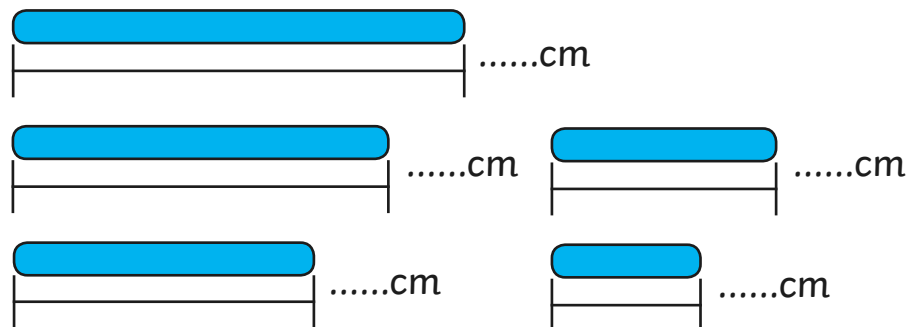

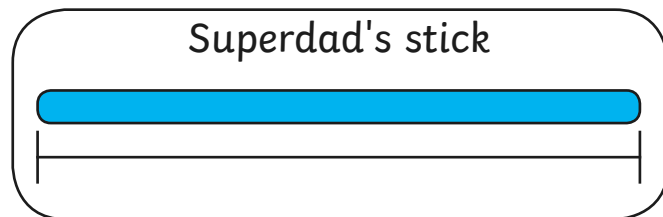

How high would Supergirl's boots be?cm

Supertask

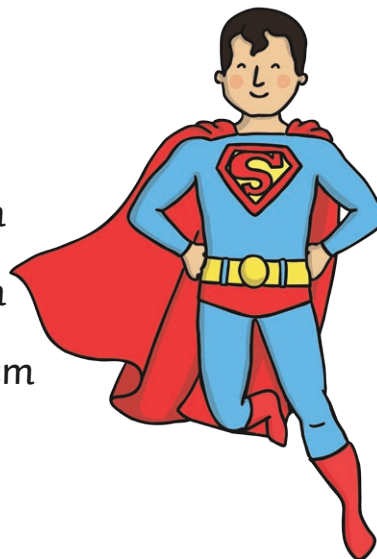

2. Draw a line from Superboy, Supermum and Superdog to their sticks, and write how long each of their sticks are.

3. Superdad's cape is 24cm long.

How long is:
Superboy's?cm
Superdog's?cm
Supermum's?cm

4. Superdad can jump 12m high.

How high can the rest of the family jump?

Superboym
Superdogm
