

13th February 2025

Year 6 SATs Maths Booster Club

Dear Parents and Carers,

I am writing to inform you that a SATs Maths Booster Club will be running for Year 6 students, starting on Thursday 6th March. This additional session has been designed to provide extra support in mathematics, boost your child's mathematical understanding, and help them prepare for secondary school.

The club will run every Thursday during term time, from 8:00 am to 8:45 am, beginning on the 6th of March. **Please note that there will be no club on Thursday 13th March** due to a class trip. The club will then continue each Thursday until 8th May.

Children should arrive at school by 8:00 am and enter the building via the usual KS2 door. The booster sessions will be held in the Ash classroom.

This club is open to all Year 6 children and is designed to support them in gaining confidence and improving their maths skills in preparation for SATs and the transition to secondary school. We strongly encourage as many children as possible to attend.

If you would like your child to take part in this club, then please complete the below form and bring this back into school as soon as possible. Without a permission slip your child cannot attend.

If you have any questions or require further information, please do not hesitate to get in touch.

Kind regards,

Miss Walker

I would like _____ (child's name) to take part in the SATs Maths Booster Club.
