

Oak Class Homework

Term 6

Priority homework:

READ READ READ, for at least 15 minutes at a time. This is the most important homework you can do. Reading regularly will improve comprehension, spelling, grammar, creativity and general knowledge.

You should also practise the weekly spellings and complete tasks on Mathletics and Times Table Rock Stars.

Title	Task	Return on
All about you!	Now we are nearing the end of our year we'd love you to tell us something about you. A hobby you have, a sport or something you LOVE doing. You can include drawings, writing - anything that you think would make us say WOW!	Wednesday 14 th June
Bug Club	Keep using Bug Club again as it is great way to improve comprehension skills. Answer the Bug questions to test your knowledge. We will have a class competition to see who can complete the most pages/bugs, remember to reread the text when you are stuck on a Bug question. You can also find some helpful maths games on the site too!	Wednesday 21 st June
Mathletics	As we near the end of the year, it is a good time to think about some of the skills we learn in the Autumn. Log on to Mathletics and complete any tasks you have missed or any topics you have found difficult. Remember to use the help videos if you get stuck.	Wednesday 28 th June
Celebrating Year 4	As we near the end of the year, think about all the things we have done. Write and draw about something you have really enjoyed learning about. Think about your handwriting and choice of words. Make sure it is writing to be proud of.	Wednesday 5 th July
A letter to your new teacher	Think about what you would like to tell your new teacher. Tell them a little bit about yourself and ask some questions. You may like to write on plain paper and maybe even put in an envelope	Wednesday 12 th July
