

Lime Class Home Learning

Term 4

Maths

- Complete these part-whole models:

Can you draw some part-whole models for other number bonds?

- Complete the number sentences using <, > or =

15 ○ 14

18 ○ 19

14 ○ 15

19 ○ 18

Compare some other pairs of numbers and write the number sentences.

- Work out which numbers complete the table:

One less	Number	One more
	25	
	30	
	48	

Choose a number between 0 and 50. Say the number that is 1 more and 1 less.

Science- Seasons

- Can you find clothes for every season in your home?
- Keep a weather diary to see how it changes each day.

English

- Draw a picture and write a sentence about it. Remember to use a capital letter, finger spaces and a full stop.
- Practise these red words:

all, ball, call, tall, small, many, any, one, anyone, some, come.

Can you read them? Have a go at writing them either as a list or in a sentence - Can I come to the park? How many pets do you have?

- Practise forming your letters correctly.

Penpals: Example Letter formation before joining.
Bold dot indicates the starting point for forming each letter.

a b c d e f g h i j k l
m n o p q r s t u v w
x y z

- Keep reading the real words and nonsense words that are sent home.

Space

- Make or draw a rocket - be as creative as you like!
- Go outside when it is dark or look through a window and talk about what you can see. Can you count the stars? Can you find the moon? Does the sky change from one night to the next?

Please bring in your Home Learning books on **Monday 26th March** to share your work. Please use your books for any other English or Maths work you have been doing. They are a great place to draw and to do some extra writing practise.
