 Here To Worship Him

Wise Men

 1. We travelled from the East,

 We travelled from afar,

 We travelled many miles when we saw the star,

 We've brought our gifts of gold,

 Our frankincense and myrrh,

 And we've come to worship Him.

Shepherds/Angels

 2. We've left our flock of sheep,

   
We've left our cosy fire,

       
We've left the rolling hills when we heard the choir,

  
The angels sang good news,

   
Their message filled the air,

    
And we've come to worship Him.

3.     
We'll fill this place with joy,

     
We'll fill this place with song,

     
We'll fill this place with praise,

 1
To the Holy One,

   
This wondrous gift of God,

  of love,

This miracle of love,

+    to   Him.

And we've come here to worship Him.

O     

O come let us adore Him,

O     

O come let us adore Him,

O

(Repeat with audience)
