

Oak Class Homework

Term 3

Priority homework:

READ READ READ, for at least 15 minutes at a time, as it is the most important homework you can do. Reading regularly will improve comprehension, spelling, grammar, creativity and general knowledge.

You should also complete tasks on Mathletics and Times Table Rock Stars. The children need to be spending time getting their times tables up to speed. You can support us with this by testing them on their tricky times tables at home.

Title	Task	Return on
Multiplication extravaganza!!!	This week we would like you spend extra time practising your timetables. You could go on TT RockStars, play an online game, write them out, chant them, ask an adult to test you, play the dice game... the possibilities are endless. Choose which ever activity will help you the most. Start with the 2s, 5s, 10 and 3s. Then go onto the 4s, 8s, 6s, 7s, 9s, 11s and 12s. Don't forget the 0s and 1s too.	Wednesday 7 ^h January
History	This term in history, we will be focussing on the Roman's in Britain. There are some amazing places where the Roma's have left their mark both in Kent and the United Kingdom as a whole. Can you research somewhere in the UK that has links to the Roman's. Maybe you can discover the latin name for the place, how the Roman's left their mark there and what draws people as visitors there today.	Wednesday 14 th January
Geography	Later in the term, we will be looking at the Jurassic Coast as part of our geography. What interesting information can you find out about the Jurassic Coast.	Wednesday 21st January
Design	Our next book features an ice palace. Design an ice palace. Label your ice palace and explain the importance of the things you have included.	Wednesday 29th January
Research	Antartica is very cold just like the place in our story. Research an animal you may find in the Antarctic and find out how it survives in such a cold climate	Wednesday 4 th February
Multiplication extravaganza!!!	Again this week we would like you spend extra time practising your timetables. See how much you have improved since the beginning of term. Choose which ever activity will help you the most. Start with the 2s, 5s, 10 and 3s. Then go onto the 4s, 8s, 6s, 7s, 9s, 11s and 12s. Don't forget the 0s and 1s too.	Wednesday 11 th February

Golden ticket

This ticket is our way of letting you know that although homework is important, we understand sometimes you may have a super busy week. If you do and you need a week off from your homework just pop the date in the box and we'll know that you couldn't do your homework.

Date Used: _____
