

Home Learning Term 2

Home learning will consist of weekly activities to be bought in on Thursday each week. Once each term, your child can enjoy a well-earned break by using their **Golden Ticket!** The Golden Ticket is at the bottom of the Home Learning sheet and can be used to skip the tasks for **one week only**—no questions asked!

Thank you for supporting your child's learning at home!

Task	Hand in date
Halloween Write a short spooky story about a friendly monster or magical creature who has a problem to solve. Include at least two adjectives in every sentence to make your writing descriptive.	Thursday 30 th October
Guy Fawkes Night Design your own firework – give it a name and describe the colours, sounds, and patterns it would make.	Thursday 6 th November
Anti-bullying week Design a poster to advertise anti-bullying week. You can design this straight into your home learning book. Think about what would make your poster interesting and eye catching!	Thursday 13 th November
Research week Research why some animals hibernate during this season and write 3-4 sentences to explain what you have found out. You can draw a picture to help explain your findings.	Thursday 20 th November
Design a leaflet to advertise the Christmas Fayre Produce a leaflet to advertise the Christmas Fayre. Remember to include all the key information. Make it exciting and interesting for people to read.	Thursday 27 th November
Design a charity Christmas bauble! Choose a charity that is important to you and design a Christmas bauble to promote the charity. You could use the charities colours or the logo. Please write two sentences (or more) to explain why you have chosen the charity.	Thursday 4 th December
Design a Christmas jumper The charity 'Save the Children' encourage people to wear a Christmas jumper to support the charity at Christmas time. Can you design your own Christmas jumper? What will you include? Perhaps a snowflake or a reindeer....	Thursday 11 th December
	This may be used once per term to opt out of the task. Date redeemed: _____
