

Term 1 - Ash Class Home Learning - Issued on a Friday due back on a Wednesday

Please complete your Home Learning to the best of your ability. We'd like you to try and complete it **independently**, so you can really show off what you can do. Each week, we'll be choosing one (or more!) Home Learning Stars to celebrate amazing effort and creativity. This is brilliant preparation for your move to secondary school, so make sure you give it your best and really engage with the tasks.

✨ Year 6 Responsibilities - Applications Open! ✨ It's that exciting time of year again! Just like last year, every Year 6 child will have the chance to apply for an important responsibility in school. You will need to: 📝 Write a short speech explaining why you are responsible enough to take on a student leadership role (there is no need to be specific about the role you'd like). 🎤 Present your speech to the class so everyone can hear your ideas and qualities. Roles you could be selected for include: Head Pupil, Castle Captain, School Council Representative, Young Worship Leader, Librarian...and many more! Think carefully about the skills you have, why you'd be great for the role, and how you would make a difference in our school.	1 st October

Why is it important? How do they help people? Be as creative as you can - imagine it's going in a magazine to inspire others to support the charity!	8 th October
