

# Cherry Class Home Learning

## Term 6

### Maths

- Practice telling the time to the nearest 5 minutes. Practice, on both analogue and digital clock.
- Practice recalling the times tables you are learning. Remember to practice skip counting first.  
(For example: 2, 4, 6, 8, 10, 12)
- CHALLENGE**  
Can you find the missing parts?  
(You could use column subtraction or count on to find the difference.)

|   |                                                                                                                                                                                                                                                                                                     |   |                                                                                                                                                                                                                                                                                                      |

### English

- Test yourself on the Year 2 words (You can find these on the website)  
If you have mastered these, you could challenge yourself and have a look at a few of the Year 3/4 words.
- Find a book, (real or on BugClub) about nature. Read it to an adult and write 2 sentences to explain what you liked (or didn't like) about it.
- Write a list of homophones.  
(Words that sounds the same but have a different spelling and meaning. For example: see/sea, hear/here)

### Science- Plants

- Go on a nature walk and use 4 of your senses to describe what you can see, hear, touch and smell.

### History of West Malling

- Take a walk down West Malling High Street and see if you can spot any historical, old buildings.

Choose 1 or 2 things to do each week to help support learning in class.  
Some may take longer than others and some may need to be practised more often.

Please bring your homework books in on **Monday 12<sup>th</sup> July** to share your work and receive castle points!
