English 20mins

Today we will be reinforcing our work on adjectives by adding **adjectives** to **nouns**.

A **noun** is the name of a person, place or thing. **Sarah**, **roof** and **school** are all **nouns**.

We can give more information about a noun by adding an **adjective** (describing word) to it.

In the sentence below, the word **brilliant** is an adjective because it tells us what the **book** (the noun) was like.

→ It was a **brilliant book**.

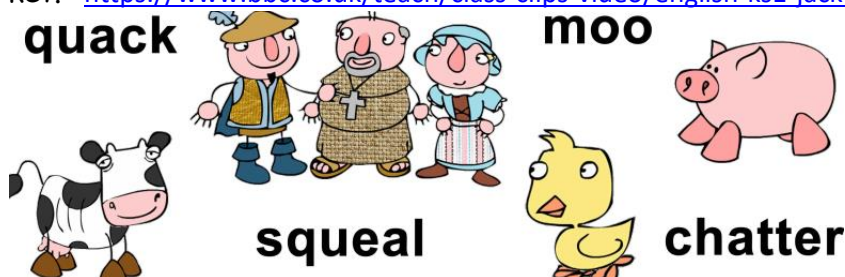

When we group a noun and an adjective together like this, it is called an **expanded noun phrase**.

When you have a list of adjectives like this, you separate them with commas

For example: I ate a **yummy, tasty, delicious sandwich** yesterday.

Watch this video: '3. Jack went to the market.' <https://www.bbc.co.uk/teach/class-clips-video/english-ks1-jack-and-the-beanstalk-pt3/zdnc7nb>

Activity 1- Write a paragraph about the market. Start your sentences in different ways to make your writing interesting. Include expanded noun phrases and conjunctions (For example- and, but, so, because, when, if).

Topic-Geography

Today we are starting our new topic, Brazil. I know you are going to love it!

Today we will name all seven continents in the world, before zooming into South America and locating Brazil. We will explore some physical and human geographical features found in Brazil and compare them to where we live in the UK! Please watch the lesson on the below link.

You will need a pen and pencil to complete the lesson.
