

BugClub iPad Fix

Please try the below if your iPad is having issues connecting to BugClub.

Please be aware that you also need to turn off 'prevent cross site tracking' within these settings too.

Any issues please email me - mulberryteacher@west-malling.kent.sch.uk

Detailed Instructions

Safari for iOS

Note - This section has been created with Safari version 13 on iPad 13.3.1.

To allow all cookies on an iPad or iPhone, please follow these steps.

1. Tap **Home**.
 2. Go to **Settings**.
