|             | <ul style="list-style-type: none"> <li>○ I can explain what a mountain range is</li> <li>○ I can explain the change in weather when travelling to the peak of a mountain</li> </ul> |
| Don't forget at the end of the lesson to colour in your star and tick your success criteria. |                                                                                                                                                                                     |

### What is a mountain range?

In your own words tell me what a mountain range is...

---

---

---

---

### Where is the highest mountain in the world?

One of the most famous mountain ranges in the world is called the \_\_\_\_\_.  
This mountain range cuts through many different countries like Nepal, India and \_\_\_\_\_. The highest mountain in the whole world is called \_\_\_\_\_.

Himalayas      Mount Everest      China

The top of a mountain is called the \_\_\_\_\_.  
You can see in the photo above that the tops of the Himalayas are covered in snow.  
Why do you think this is the case?

---

---

---

---

Out of the 10 tallest mountains in the world, how many are found in the Himalayas?  
(circle the correct answer)

10                      8                      9

We know the people live on the slopes of the Himalayas, what do you think it might be like to live in this unusual climate?
